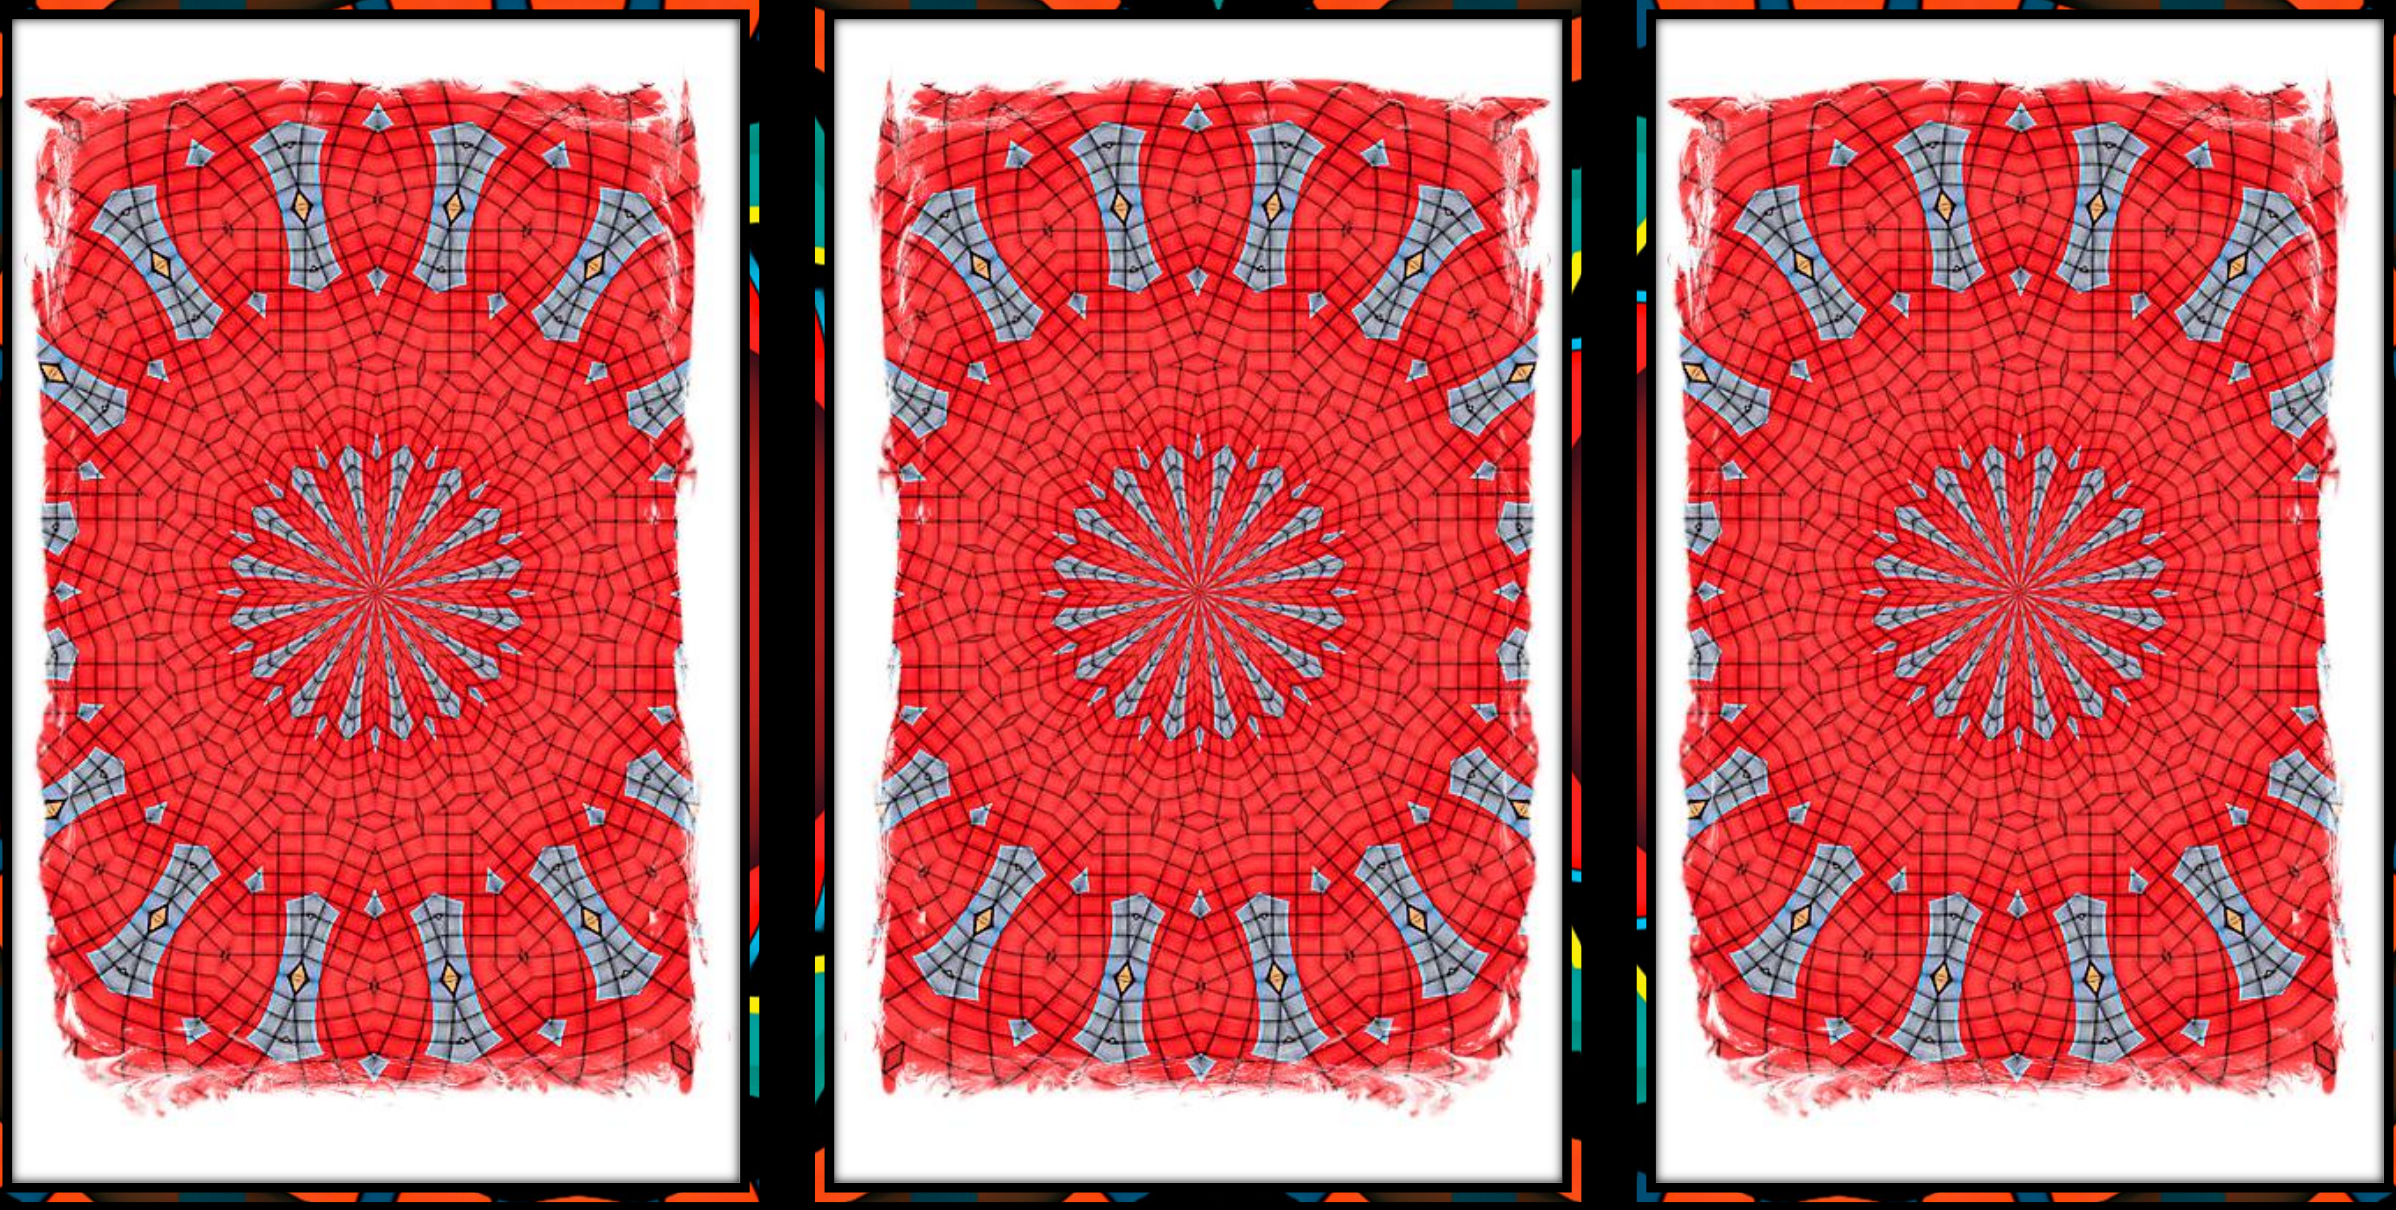
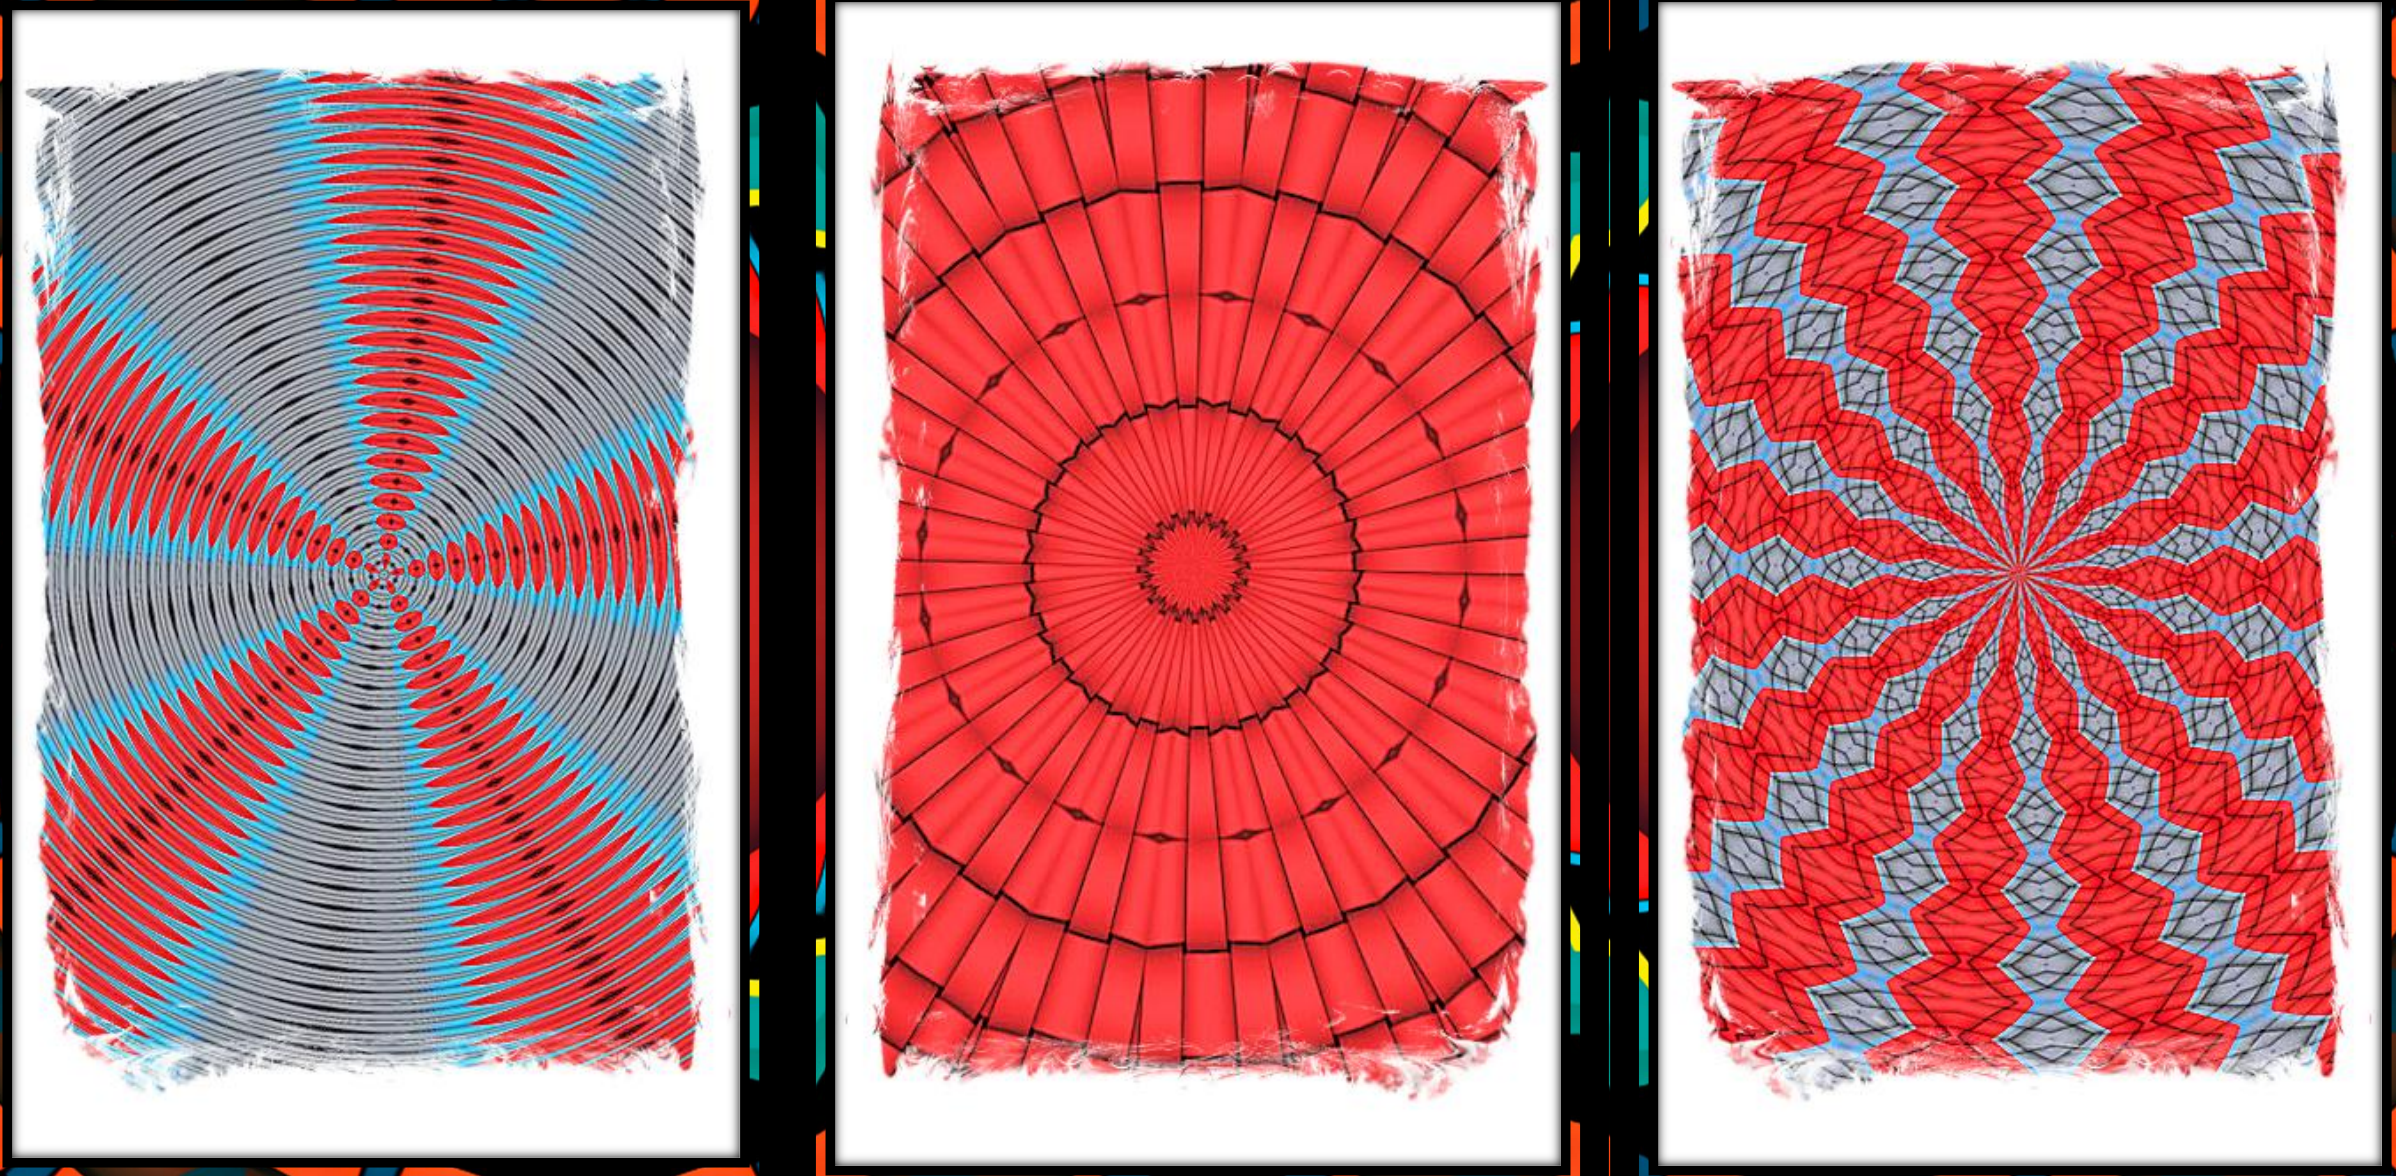
RE: *Super "End of the World" Emil Doddles Clearance Sale at the Lone Palm Ferry Casino's History Lodge.*

Attention to the dedicated fanbase of the artist formerly known as Emil, which includes not just the five die-hard Emil enthusiasts residing in Tokyo, but also that peculiar English gentleman who identifies himself as the "*Grammar Nazi*."
This individual takes great pleasure in asserting that Emil's unconventional sentence structures are not a result of linguistic incompetence, but rather a deliberate choice to communicate in a cryptic code inspired by the ancient languages of the Empire Age of Mu and the enigmatic "*Sons of Belial*" from the fabled Atlantis before its downfall.
The long-anticipated collection, often misnamed "*Emil's Visions from the Red Forest*," will finally be unveiled for public viewing as part of our grand "*End of the World*"



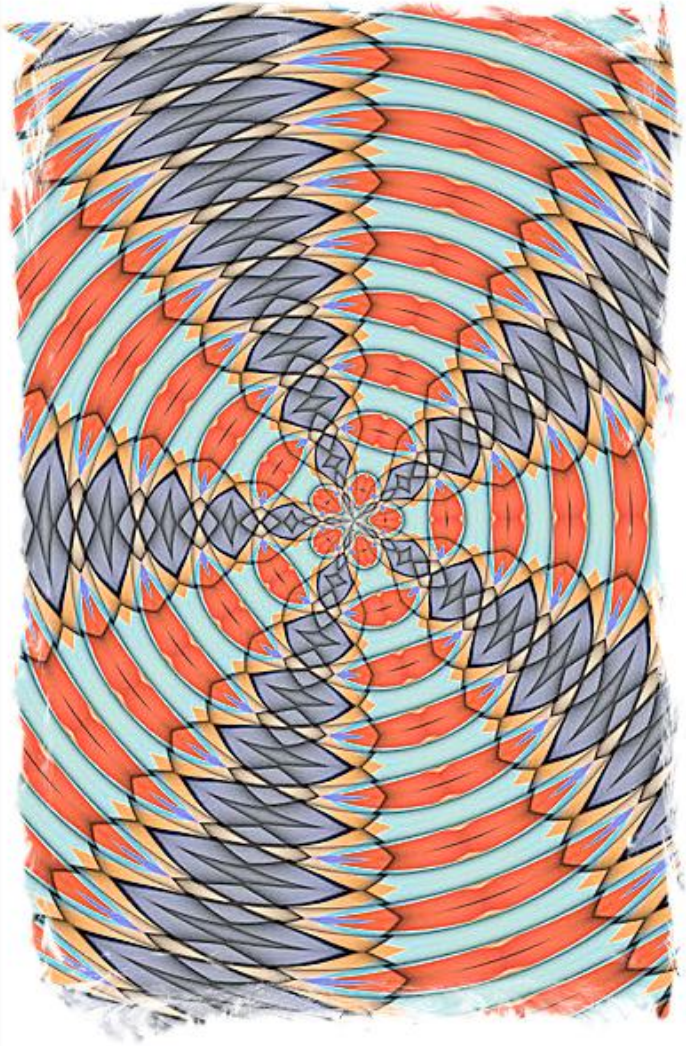
Closeout Sale, commencing on May 1, 2047.
This event promises to be a significant occasion for fans and collectors alike, offering a unique opportunity to engage with Emil's work in a way that has been shrouded in mystery for far too long.
This remarkable collection aligns beautifully with the rich heritage of sand painting, a craft that the artist formerly known as Emil learned from the esteemed shaman elders of the Great Hopi Nation, situated on the Hopi Archipelago near the northern reaches of the Sonoran Sea, which was once part of the now-submerged Lands of the Arizonans.
Emil crafted these striking mural panels for the ill-fated Shiprock Lake Casino, and we at the Lone Palm Ferry Casino's History Lodge are absolutely thrilled to showcase this unique assortment.
After countless telex messages from Emil, driven by his fervent belief that the "*Fifth World Cycle*" is nearing its conclusion, he is eager to ensure he has some pocket



change on hand.
His greatest concern revolves around the possibility that, during the anticipated "*Day of Judgment*," venue vendors—such as port-a-toilet and concession operators—might be unable to provide change for 100 Gold Dinar Coins.
In light of this, we are excited to offer these prints, available either as individual panels or as a collection, at an incredible wholesale discount of up to 80% off Emil's usual retail reprint prices, especially for bulk orders.

LOOKING FORWARD TO SEEING ALL OF YOU CAMPERS!

As Emil playfully paraphrases the words of Allen Ginsberg, *“Be there or be square!”*
This is a friendly reminder that your presence is what makes our gathering special, and we can't wait to share unforgettable moments together. Whether it's the laughter around the campfire, the thrill of outdoor activities, or simply enjoying each other's company, every moment is enhanced by your participation.



So mark your calendars and prepare for an adventure filled with camaraderie and fun—it's an experience you won't want to miss!
